THE WHITE LION  
WESTON

*Weddings*

Imagine your perfect wedding day,  
done your way at The White Lion, Weston.

[www.thewhitelionweston.com](http://www.thewhitelionweston.com)

*Congratulations on  
your engagement!*

At The White Lion Weston, we're thrilled to be part of your big day. Let us whisk you away through time as you step into our historic venue, dating back to the 17th century. Originally established as Green Farm in 1652, the property evolved into a local inn during the 19th century.

Today, The White Lion Weston stands as a testament to timeless charm, offering not only a picturesque setting but also a warm, inviting atmosphere.

Our restaurant serves comforting dishes, and our bar is home to a selection of fine wines, expertly crafted cocktails, and locally brewed ales on tap. And when the day draws to a close, guests can retire to one of our 17 newly refurbished en-suite bedrooms.

As an integral part of the local community for many years, we understand the significance of your special day. Every couple is unique, and we embrace that by offering bespoke packages tailored to you.

Whether you're looking for an intimate, traditional ceremony or a celebration with a twist, we're here to make that happen, down to the smallest detail.

"...and so the adventure begins"

We are delighted to offer you the choice of where you say, 'I do'. Our venue is licensed for ceremonies both indoors and outdoors, so whether you choose to get wed within the charming confines of our wedding room, amidst the lush greenery under the trees, on our all-weather terrace or inside a marquee (supplied at an additional cost), we can accommodate you and up to 40 guests.
